

**OFFICE OF THE AUDITOR GENERAL**

**THE REPUBLIC OF UGANDA**

**REPORT OF THE AUDITOR GENERAL**

**ON THE FINANCIAL STATEMENTS OF NATIONAL COUNCIL FOR DISABILITY**

**FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2017**

**OFFICE OF THE AUDITOR GENERAL**

**UGANDA**

**REPORT OF THE AUDITOR GENERAL ON THE FINANCIAL STATEMENTS**  
**OF NATIONAL COUNCIL FOR DISABILITY FOR THE**  
**YEAR ENDED 30<sup>TH</sup> JUNE 2017**

**THE RT. HON. SPEAKER OF PARLIAMENT**

**Opinion**

I have audited the accompanying Financial Statements of National Council for Disability, which comprise the Statement of Financial Position as at 30<sup>th</sup> June 2017, the Statement of Financial Performance, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 1 to 8.

In my opinion, the financial statements of the National Council for Disability for the year ended 30<sup>th</sup> June 2017 are prepared, in all material respects in accordance with section 51 of the Public Finance Management Act, 2015.

**Basis of Opinion**

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Council in accordance with the Constitution of the Republic of Uganda (1995) as amended, the National Audit Act, 2008, the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B) (IESBA Code), the International Organization of Supreme Audit Institutions (INTOSAI) Code of Ethics and other independence requirements applicable to performing audits of Financial Statements in Uganda. I have fulfilled my other ethical responsibilities in accordance with the IESBA Code, and in accordance with other ethical requirements applicable to performing audits in Uganda. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined the matter described below as key audit matter to be communicated in my report;

### **Inadequate Controls Surrounding Management of Domestic Arrears**

Domestic arrears refer to the total value of unpaid bills for goods and services rendered to a government entity, including wages and pension that remain outstanding at the closure of a financial year. There has been persistent accumulation of domestic arrears to unmanageable levels which has led to settlement of arrears that are not authorized, unbudgeted for, inadequately supported and in some instances there has been inadequate recognition and disclosure of the domestic arrears. The variances between the reported figures in the financial statements and the amounts verified by Internal Auditor General formed a basis of my qualification of consolidated GOU financial statements for the year ended 30th June 2016.

Consequently, domestic arrears were considered a key audit matter which needed to be examined to assess: the appropriateness of recording, recognition and disclosure of domestic arrears; the trend and the underlying factors; and the adequacy of the internal controls surrounding management of domestic arrears.

During audit planning, I focused on examination of domestic arrears in regard to goods and services, salaries and wages, and pension and gratuity. I undertook the following procedures in relation to domestic arrears: a trend analysis over a period of three years to ascertain the underlying causes of accumulation; reviewed budget and commitment control procedures to assess their effectiveness;\_ascertained the authenticity of the supporting documentation and assessed the appropriateness of the accounting treatment. I also engaged the Accounting Officer to enable me arrive at the audit conclusions.

Based on the procedure performed, I observed that an amount of UGX.444,072,625 was irregularly incurred as domestic arrears outside the approved estimates appropriated by Parliament. It was further observed that the figure increased from UGX.387,672,625 in the previous financial year 2015/16 resulting in an increase of UGX.56,400,000.

This may be as a result of existence of a weak and ineffective internal control system over the control and management of domestic arrears. For example, the government commitment control system was not adhered to.

The Accounting Officer's submission was that this was a result of under releases during the year under review, however the Ministry of Finance has been engaged and there are prospects that the arrears will be cleared in the subsequent year.

I await the progress on the matter.

### **Emphasis of Matter**

Without qualifying my opinion, I draw your attention to the revenue figures in the financial statements:

- **Revenue Shortfall**

Out of the approved budget of UGX.836,000,000 the Council realised only UGX.309,081,401 resulting into a short fall of UGX.526,918,599 (63%). As a result planned key activities such as holding national consultative meeting for children with disabilities at national level, procuring office equipment such as laptops, photocopier and furniture and payment of NSSF were not implemented. The shortfall was attributed to budget cuts by the Ministry of Finance, Planning and Economic Development.

In response Management stated that it was engaging the Ministry of Finance and the Ministry of Gender, Labour and Social Development to enhance its budget.

I await the outcome of management's efforts in this regard.

### **Other Matter**

In addition to the matters raised above, I consider it necessary to communicate the following matter other than those presented in the financial statements.

- **Staffing gap**

A review of the staff establishment revealed that out of the 12 approved posts, only 8 were filled leaving 4 posts vacant (33%).

The unfilled posts included the key personnel such as programme officer monitoring and evaluation, programme officer legal and human rights and accounts assistant among others.

Lack of key staff in the Council could affect the performance and achievement of the Council's overall goals and objectives.

Management explained that efforts have been made to engage all the relevant authorities namely the Ministries of Gender, Labour and Social Development ,Finance and Public Service to address the staffing issues.

I await the outcome of the Accounting Officer's efforts in regard to this matter.

### **Responsibilities of the Accounting Officer for the Financial Statements**

Under Article 164 of the Constitution of the Republic of Uganda, 1995 (as amended) and Section 45 of the Public Finance Management Act, 2015, the Accounting Officer is accountable to Parliament for the funds and resources of the Council.

The Accounting Officer is responsible for the preparation of the financial statements in accordance with the requirements of the Public Finance Management Act, 2015 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, the Accounting Officer is responsible for assessing the Council's ability to continue delivering its mandate, disclosing, as applicable, matters

related to delivery of services, unless Government either intends to discontinue the Council's operations, or has no realistic alternative but to do so.

### **Auditors' Responsibilities for the audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users, taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:-

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to deliver its mandate. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related

disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Council to fail to deliver its mandate.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with management, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

John F.S. Muwanga

**AUDITOR GENERAL**

11<sup>th</sup> December 2017
