**REPORT OF THE AUDITOR GENERAL ON THE FINANCIAL STATEMENTS OF
PRIVATISATION AND UTILITY SECTOR REFORM PROJECT (DIVESTITURE)
FOR THE YEAR ENDED 30TH JUNE, 2017**

THE RT. HON. SPEAKER OF PARLIAMENT

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the financial statements of Privatization and Utility Reform Project (Divestiture) for the year ended 30th June, 2017. These financial statements comprise of the statement of financial position, statement of comprehensive income, statement of changes in equity, cash flow statement together with other accompanying statements, notes and accounting policies.

In my opinion, the financial statements present fairly in all material respects the financial position of Privatization and Utility Reform Project (Divestiture) as at 30th June, 2017 and its financial performance and cash flows for the year then ended in accordance with the International Public Sector Accounting Standards and the Public Enterprises Reform and Divesture (PERD) Act.

Basis of Opinion

I conducted my audit in accordance with International Standards of Auditing (ISAs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the organization in accordance with the Constitution of the Republic of Uganda (1995) as amended, the National Audit Act, 2008, the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B) (IESBA Code), the International Organization of Supreme Audit Institutions (INTOSAI) Code of Ethics and other independence requirements applicable to performing audits of Financial Statements in Uganda. I have fulfilled my other ethical responsibilities in accordance with the IESBA Code, and in accordance with other ethical requirements applicable to performing audits in Uganda. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other Matter

I consider it necessary to communicate the following matter other than those presented or disclosed in the financial statements:

- **Budgeting for divestiture Funds**

A review of the divestiture work plan for the financial year 2016/2017 indicated that the entity had planned to utilize UGX.0.1bn to carry out actuarial consultancy on UCCEPS. However, it was observed that the entity spent UGX.5.388bn to pay out the outstanding pension obligations through a supplementary release by the Ministry of Finance thus exceeding the planned expenditure on pension arrears by UGX.5.288bn.

The process of approval of the project budgets is unclear as I was unable to establish how much was approved for what activities. During the year under review no funds were released for divestiture activities despite the unit planning for activities amounting to UGX.4,505,200,000. In absence of a clear guidance on how the unit funds should be budgeted for and approved, there is a risk that the funds are irregularly utilized.

I advised management to liaise with MOFPED to streamline the budgeting process and use of divestiture resources.

Responsibilities of the Directors for the Financial Statements

The Directors are also responsible for the preparation and fair presentation of the financial statements in accordance with the requirements of the Public Enterprises Reform and Divestiture (PERD) Act and International Financial Reporting Standards on Accrual basis of accounting and for such internal controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Project's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the Project's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Project to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the Directors with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with him/her all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with the Directors, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal requirements

As required by the Public Enterprises Reform and Divesture (PERD) Act and the National Audit Act, 2008, I report to you, based on my audit that;

I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purpose of my audit.

- i. In my opinion, proper books of account have been kept by the Director's so far, as appears from my examination of those books; and
- ii. The statement of financial position and statement of Support, Revenue and Expenses are in agreement with the books of account.

John F.S. Muwanga
