**THE REPUBLIC OF UGANDA**

**REPORT OF THE AUDITOR GENERAL**

**ON THE FINANCIAL STATEMENTS OF UGANDA MEDICAL & DENTAL  
PRACTITIONERS COUNCIL FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2017**

**OFFICE OF THE AUDITOR GENERAL**

**UGANDA**

**REPORT OF THE AUDITOR GENERAL ON THE FINANCIAL STATEMENTS**  
**OF UGANDA MEDICAL & DENTAL PRACTITIONERS COUNCIL**  
**FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2017**

**THE RT. HON. SPEAKER OF PARLIAMENT**

**Opinion**

I have audited the accompanying financial statements of Uganda Medical and Dental Practitioners Council (UMDPC) for the year ended 30<sup>th</sup> June 2017. These financial statements comprise the Statement of Financial Position as at 30<sup>th</sup> June 2017, Statement of Financial Performance, Statement of Changes in Equity and Cash Flow Statement together with other accompanying statements, notes and accounting policies as set out at pages 5 to 23.

In my opinion, the financial statements of the Uganda Medical and Dental Practitioners Council present fairly in all material respects the financial position as at 30<sup>th</sup> June, 2016 and the income and expenditure for the year then ended in accordance with the International Financial Reporting Standards.

**Basis of Opinion**

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Institute in accordance with the Constitution of the Republic of Uganda (1995) as amended, the National Audit Act, 2008, the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B) (IESBA Code), the International Organization of Supreme Audit Institutions (INTOSAI) Code of Ethics and other independence requirements applicable to performing audits of Financial Statements in Uganda. I have fulfilled my other ethical responsibilities in accordance with the IESBA Code, and in accordance with other ethical requirements applicable to performing audits in Uganda. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other matter;**

Without qualifying my opinion, I consider it necessary to communicate the following matter other than those that are presented or disclosed in the financial statements.

**Staffing Gaps**

Out of 26 approved positions in the establishment, only 16 posts were filled, leaving 10 (38%) vacancies. Some of the key vacant positions were; Head Quality Assurance, Field Inspector, Licensing Officer, and Finance and Administration Officer.

Understaffing overstretches the available staff, creates job-related stress to the few staff and negatively affects the level of public service delivery.

Management attributed the vacant positions to inadequate funding but promised to fill five vacancies in the subsequent financial year.

I advised management to enhance revenue mobilization as mandated by section 11 of the Uganda Medical and Dental Practitioners Act, 1996 and ensure that all vacant positions are filled.

**Responsibilities of the Accounting Officer for the Financial Statements**

Under Article 164 of the Constitution of the Republic of Uganda, 1995 (as amended) and Section 45 of the Public Finance Management Act, 2015, the Accounting Officer is accountable to Parliament for the funds and resources of the Institute.

The Accounting Officer is responsible for the preparation of the financial statements in accordance with the International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, the Accounting Officer is responsible for assessing the Council's ability to continue delivering its mandate, disclosing, as applicable, matters related to delivery of services, unless Government either intends to discontinue the Council's operations, or has no realistic alternative but to do so.

## **Auditors' Responsibilities for the audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users, taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:-

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to deliver its mandate. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit

evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Institute to fail to deliver its mandate.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with management, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

John F.S. Muwanga  
**AUDITOR GENERAL**

20<sup>th</sup> December 2017
