REPORT OF THE AUDITOR GENERAL ON THE AUDIT OF FINANCIAL STATEMENTS
OF UGANDA ENERGY CREDIT CAPITALISATION COMPANY LIMITED
FOR THE YEAR ENDED 30TH JUNE 2018

THE RT. HON. SPEAKER OF PARLIAMENT

Report on the audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of Uganda Energy Credit Capitalization Company Limited (UECCCL) for the year ending 30th June 2018. These financial statements comprise the Statement of Financial Position as at 30th June 2018, the Statement of Financial Performance and Statement of Cash Flows for the period then ended, accompanying schedules and a summary of significant accounting policies and other explanatory notes, as set out on pages 14 to 33.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Uganda Energy Credit Capitalization Company Limited as at 30th June 2018, and of its financial performance and cash flows for the year then ended, in accordance with requirements of the International Financial Reporting Standards (IFRS) and the Company's Act, 2012.

Basis of Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the project in accordance with the Constitution of the Republic of Uganda (1995) as amended, the National Audit Act (NAA), 2008, the International Organization of Supreme Audit Institutions (INTOSAI) Code of Ethics, the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B) (IESBA Code), and other independence requirements applicable to performing audits of Financial Statements in Uganda. I have fulfilled my other ethical responsibilities in accordance with the IESBA Code, and in accordance with other ethical requirements applicable to performing audits in Uganda. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period.

I have determined that there are no key audit matters to communicate in my report.

Responsibilities of Management and those charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the IFRSs; and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to Going concern and using the going concern basis of accounting unless management intends to liquidate the Company, or cease operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor General's Responsibilities for the audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users, taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:-

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is

higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other reporting Responsibilities

As required by the Uganda company's Act, 2012, I report to you, based on my audit, that:

- I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit;
- In my opinion proper books of account have been kept by the Company, so far as appears from my examination of those books; and
- The Company's Statement of Financial Position and Statement of Comprehensive Income are in agreement with the books of account.

A handwritten signature in black ink, appearing to read 'J.F.S. Muwanga', with a large, sweeping flourish extending to the right.

John F.S. Muwanga

AUDITOR GENERAL

14th December 2018
